New Act

225 ILCS 60/24.1 rep.

Synopsis As Introduced

Creates the Patients' Right to Know Act. Provides for the Department of Financial and Professional Regulation to make available to the public a profile of each licensed physician and chiropractor on an Internet website or in writing if requested by an individual. Requires on the profiles the full name of the physician, any criminal convictions for felonies and Class A misdemeanors, any Department disciplinary action within the most recent 5 years, name of medical schools attended and date of attendance and graduation, specialty board certification, the number of years in practice and locations, the name of hospital where physician has privileges, and other requirements. Permits the Disciplinary Board to provide copies of the profiles to the physicians prior to publication and allows 60 days for the physician to correct any inaccuracies. Provides the physician the option to exclude any information concerning academic appointments, teaching responsibilities, publications in peer-reviewed journals, and any professional and community service awards if the physician or chiropractor chooses not to publish such information. Sets any penalties for a violation of this Act to be provided for in the Medical Practice Act of 1987. Repeals similar provisions of the Medical Practice Act of 1987 that were enacted by Public Act 94-677, which has been held unconstitutional. Effective immediately.

Statutes Amended In Order of Appearance

740 ILCS 21/80

740 ILCS 22/213

750 ILCS 60/214 from Ch. 40, par. 2312-14

Synopsis As Introduced

Amends the Stalking No Contact Order Act, the Civil No Contact Order Act, and the Illinois Domestic Violence Act of 1986 to provide that under no circumstances shall a stalking no contact order, civil no contact order, or order of protection require a school district to prohibit entrance of a respondent student where the respondent student is the recipient of special education services pursuant to an individualized education plan. Provides that no stalking no contact order, civil no contact order, or order of protection may require a change in placement or a material change in services for either the petitioner or respondent student under the federal Individuals with Disabilities Education Act and the School Code. Provides that federal and State law regarding special education and related services prevail in the event of a conflict with an order under any of the Acts. Provides that where a respondent student subject to an order under any of the Acts requests a transfer to another school within the district, then the district may, in its sole discretion, transfer the student to another school. Provides that the choice of school to which a respondent student is transferred is at the sole discretion of the district. Provides that no district violates an order under any of the Acts for permitting a respondent student to attend a school in the district where the student is a properly enrolled student.

House Committee Amendment No. 1

Deletes reference to:

740 ILCS 21/80

Adds reference to:

740 ILCS 22/220

Deletes everything after the enacting clause. Amends the Stalking No Contact Order Act. Provides that the court may order that the respondent accept a change of educational placement or program, as determined by the School District (instead of accept a change of educational placement or program). Provides that if a respondent claims that an educational transfer, change of placement or change of program of the respondent is not available, the respondent may not base that assertion on the ground that the respondent does not agree with the School District's transfer or change of placement or

program or the respondent fails or refuses to consent or otherwise take actions required to effectuate a transfer, change of placement or change of program. Provides that, with respect to the enforcement of a civil no contact order, the court: (i) shall not hold a school district or any of its employees in civil or criminal contempt unless the school district has been allowed to intervene; and (ii) may hold the parents, guardian or legal custodian of the minor respondent in civil or criminal contempt for a violation of an order, for conduct of the minor in violation of this Act if the parents, guardian or legal custodian directed, encouraged, or assisted the minor in the conduct.

House Floor Amendment No. 3

Adds reference to:

740 ILCS 21/80

750 ILCS 60/223

from Ch. 40, par. 2312-23

Deletes everything after the enacting clause. Amends the Stalking No Contact Order Act, the Civil No Contact Order Act, and the Illinois Domestic Violence Act of 1986. Provides that when the respondent attends a public, private, or non-public elementary, middle, or high school the court may tailor the order protecting a petitioner after considering all relevant factors including the physical danger or emotional distress to the petitioner, the severity of the act, and all factors relating to the education of a petitioner and respondent. Provides that the court may order that the respondent accept a change of educational placement or program, as determined by the school district or private or non-public school. Provides that if a respondent claims that an educational transfer, a change of placement, or a change of program of the respondent is not available, the respondent may not base that assertion on the grounds that the respondent does not agree with the school district's or private or non-public school's transfer, change of placement, or change of program or that the respondent fails, refuses, or take actions for a transfer, change of placement, or change of program. Provides that the court may make the parents, guardian, or legal custodian of the respondent responsible for costs associated with the respondent's placement under the order. Provides that, with respect to the enforcement of an order, the court: (i) shall not hold a school district or private or non-public school or any of its employees in civil or criminal contempt unless the school district or private or non-public school has been allowed to intervene; and (ii) may hold the parents, guardian, or legal custodian of the minor respondent in civil or criminal contempt for a violation of an order for conduct of the minor in violation of the Act if the parents, guardian, or legal custodian directed, encouraged, or assisted the minor in the conduct. Makes other changes.

Statutes Amended In Order of Appearance

730 ILCS 5/3-6-3.2 new

Synopsis As Introduced

Amends the Unified Code of Corrections. Provides that the Department of State Police shall establish and maintain a Statewide First Degree Murderer Database for the purpose of identifying persons convicted of first degree murder, when the murder was committed before June 19, 1998, who have been released from a penal institution or other facility after the completion of their confinement and making that information available to the public. Provides that the information in the Database shall be the names, residence addresses, places of employment, and schools attended by these offenders, and photographs of the offenders. Provides that the Department of State Police shall require such first degree murderers to register with the Department for a period of 10 years following release.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the bill. Amends the Unified Code of Corrections. Provides that the bill applies to first degree murderers who were not released from a Department facility more than 10 years before the effective date of the amendatory Act (rather than those convicted of first degree when the murder was committed before June 19, 1998). Changes the registration procedures. Adds information to be added to the First Degree Murderer Database. Establishes penalties for non-compliance.

House Floor Amendment No. 2

Provides that the amendatory Act may be cited as Andrea's Law.

Senate Floor Amendment No. 4

Replaces everything after the enacting clause. Amends the Sex Offender Registration Act. Provides that any first degree murder that is sexually motivated is a sex offense regardless of the age of the victim or the defendant. Provides for lifetime registration of such offenders. Exempts from such lifetime registration individuals released from incarceration more than 10 years prior to the effective date of the amendatory Act. Amends the Child Murderer and Violent Offender Against Youth Registration Act. Changes the short title of the Act to the Murderer and Violent Offender Against Youth Registration Act. Changes the name of the Child Murderer and Violent Offender Against Youth Registration Fund to the Murderer and Violent Offender Against Youth Registration Fund. Provides for 10 year registration of a first degree murderer of an adult (a person 18 years of age or older at the time of the commission of the offense). Exempts from such registration individuals released from incarceration more than 10 years prior to the effective date of the amendatory Act. Amends various Acts to make conforming changes. Provides that the amendatory Act may be referred to as Andrea's Law. Effective January 1, 2012.

320 ILCS 42/20

Synopsis As Introduced

Amends the Older Adult Services Act. Requires the Department on Aging to investigate the cost of complying with the Act's provisions concerning the expansion of older adult community-based services, and to report these findings to the appropriation committees of both chambers assigned to hear the agency's budget no later than January 1, 2012. Requires the Department to recommend action in the alternative if the Department determines that compliance is cost prohibitive, and to identify priority service areas for the purpose of directing the allocation of new resources and the reallocation of existing resources to areas of greatest need. Changes the types of projects the Department may include in its Older Adult Services Demonstration Grants program. Makes other changes. Effective immediately.

House Committee Amendment No. 1

In regards to taxes that may accrue from any public or private sources to the Department on Aging, provides that such taxes shall be for the purpose of providing services and care to older adults (rather than older adult services).

House Committee Amendment No. 2

Replaces everything after the enacting clause. Reinserts similar provisions, but with the following changes: Restores a provision providing that specified requirements imposed on the Department on Aging concerning the expansion of older adult services are subject to the availability of funding. Removes the following projects from the list of projects the Department may include in its Older Adult Services Demonstration Grants program: small incentive grants to attract new providers; money following the person; cash and counseling; managed long-term care; respite care; and community-based support groups. Restores the following projects: evening and weekend home care coverage; small incentive grants to attract new providers; money following the person; cash and counseling; managed long-term care; and respite care projects that establish a local coordinated network of volunteer and paid respite workers, coordinate assignment of respite workers to caregivers and older adults, ensure the health and safety of the older adult, provide training for caregivers, and ensure that support groups are available in the community (rather than and at least one respite care project that establishes a local coordinated network of volunteer and paid respite workers, coordinates assignment of respite workers to caregivers and older adults, ensures the health and safety of the older adult, provides training for caregivers, and ensures that support groups are available in the community). Effective immediately.

House Floor Amendment No. 3

Synopsis As Introduced

Amends the Medical Assistance Article of the Illinois Public Aid Code. In regard to all changes in status of Medicaid recipients residing in Illinois nursing facilities, requires the Department of Healthcare and Family Services to report to the appropriation committees of both chambers hearing the agency's budget on the status of implementation, estimates of the cost of full implementation and recommendations for compliance no later than January 1, 2012. Effective immediately.

House Floor Amendment No. 3

Replaces everything after the enacting clause. Amends the Illinois Public Aid Code. Removes language concerning assessment reports and instead provides that the Department of Healthcare and Family Services shall provide for an electronic submission process for each long-term care facility to report the number of occupied bed days of the long-term care facility for the reporting period. Further provides that beginning July 1, 2013, a separate electronic submission shall be completed for each long-term care facility in this State operated by a long-term care provider, and that the Department shall prepare an assessment bill stating the amount due and payable each month and submit it to each long-term care facility via an electronic process. Provides that after July 1, 2013, no penalty shall be imposed on a long-term care facility that fails to file its assessment report with payment if the Department has not established a process for the electronic submission of the required information. Requires the Department to establish a process for long-term care providers to electronically submit all required information no later than July 1, 2013.

Synopsis As Introduced

Amends the Community Living Facilities Licensing Act, the MR/DD Community Care Act, Community-Integrated Living Arrangements Licensure and Certification Act, Child Care Act of 1969, and the Community Services Act. Provides that for the various facilities licensed or established under those Acts, the Departments responsible for enforcement shall review the necessity of State Fire Marshal inspections if local fire authorities enforce codes that are more stringent than those applied by the State Fire Marshal and the local fire authorities issue a clearance of the various sites. Effective immediately.

House Committee Amendment No. 1

Replaces language in the Community Living Facilities Licensing Act, the MR/DD Community Care Act, Community-Integrated Living Arrangements Licensure and Certification Act, Child Care Act of 1969, and the Community Services Act that required the applicable Department to review the necessity of State Fire Marshal inspections with language requiring the Office of the State Fire Marshal provide the necessary fire inspection. Allows the Office of the State Fire Marshal to enter into an agreement with another State agency to conduct this inspection if qualified personnel are employed by that agency. Provides that code enforcement inspection of a facility by the local authority shall only occur if the local authority having jurisdiction enforces code requirements that are more stringent than those enforced by the State Fire Marshal. Synopsis As Introduced

Amends the Children with Disabilities Article of the School Code. In provisions concerning personnel reimbursement for children in hospital or home instruction, provides that a child qualifies for home or hospital instruction if it is anticipated that, due to a medical condition, the child will (instead of a child must due to a medical condition) be unable to attend school and instead must be instructed at home or in the hospital for a period of 2 or more consecutive weeks or on an ongoing intermittent basis. Defines "ongoing intermittent basis". Provides that there shall be no requirement that a child be absent from school a minimum number of days before the child qualifies for home or hospital instruction. Provides that home or hospital instruction may commence upon receipt of the required written physician's statement, but instruction shall commence not later than 5 school days after the school district receives the physician's statement. Provides that special education and related services required by the child's IEP or services and accommodations required by the child's federal Section 504 plan must be implemented as part of the child's home or hospital instruction, unless the IEP team or federal Section 504 plan team determines that modifications are necessary during the home or hospital instruction due to the child's condition. Effective immediately.

Synopsis As Introduced

Amends the Freedom of Information Act. Authorizes a public body to charge a records requester for the actual cost of retrieving and transporting public records from an off-site storage facility when the those records are maintained by a third-party storage company that is under contract with that public body. Effective immediately.

House Committee Amendment No. 1

Further amends the Freedom of Information Act. Exempts members of the new media from the requirement to pay the actual cost of retrieving and transporting public records from an off-site storage facility when public records are maintained by a third-party storage company.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause. Amends the Freedom of Information Act. Defines "recurrent requester" as a person that, in the 12 months immediately preceding the request, has submitted to the same public body (i) a minimum of 50 requests for records, (ii) a minimum of 15 requests for records within a 30-day period, or (iii) a minimum of 7 requests for records within a 7-day period. Establishes procedures that public bodies are to use in responding to requests from recurrent requesters. Authorizes a public body to charge a fee for each hour spent by personnel in searching for and retrieving requested records. Specifies that a person whose records request is made for a commercial purpose may not file a request for review with the Public Access Counselor, except for the limited purpose of determining whether the public body accurately characterized the request as a commercial request. Makes other changes. Effective immediately.

20 ILCS 1705/18.6 new

Synopsis As Introduced

Amends the Mental Health and Developmental Disabilities Administrative Act. Creates the Mental Health and Developmental Disabilities Services Strategic Planning Task Force for the purpose of developing a five-year comprehensive strategic plan for the State's mental health services. Provides that the plan shall address certain issues impacting mental health and developmental disabilities services including reducing regulatory redundancy, improving access to care, and maintaining financial viability for providers that is cost neutral or saves the State money. Contains provisions concerning the composition of the Task Force; appointments; compensation; and reporting requirements. Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts similar provisions, but with the following changes: Changes the composition of the Task Force by removing Governor appointments. Changes the composition of the Task Force by including 6 representatives of the mental health providers and community stakeholders selected from names submitted by associates representing the various types of providers (rather than one representative of mental health providers and stakeholders), and by eliminating one representative of consumers of developmental disabilities services. Adds to the list of topics the Task Force shall address in its 5-year strategic plan the topic of (i) providing sufficient home and community-based services to give consumers real options in care settings; (ii) ensuring care is effective, efficient, and appropriate regardless of the setting in which it is provided; (iii) ensuring quality of care in all care settings via the use of appropriate clinical outcomes; and (iv) ensuring hospitalizations and institutional care, when necessary, is available to meet demand now and in the future. Provides that the Task Force shall convene quarterly meetings to monitor progress, review outcomes, and make ongoing recommendations during the implementation of the 5-year strategic plan. Effective immediately.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts similar provisions, but with the following changes: Changes the composition of the Task Force by (i) increasing the number of appointed members

from the General Assembly; (ii) adding one representative of the Illinois Children's Mental Health Partnership; (iii) adding three representatives of the consumer community; (iv) adding an individual from a union representing State employees providing services to persons with mental illness; (v) adding one academic specialist in mental health outcomes, research, and evidence-based practices; and (vi) removing one representative of consumers of mental health services. Provides that the Task Force shall also work in conjunction with the Department of Human Services' Division of Alcohol and Substance Abuse to ensure effective treatment for those who are dually diagnosed with both mental illness as well as substance abuse challenges. Provides that within one year after recommendations for the State's mental health services are presented by the Task Force to the Governor and the General Assembly, the General Assembly shall vote on whether the recommendations should become law. Effective immediately.

Senate Floor Amendment No. 1

Provides that the Task Forces' quarterly meetings shall be subject to appropriation. Provides that the new provisions shall repeal on December 31, 2019.

New Act

Synopsis As Introduced

Creates the Regional Integrated Behavioral Health Networks Act. Provides that the Department of Human Services shall establish Regional Integrated Behavioral Health Networks for the purpose of ensuring and improving access to appropriate mental health and substance abuse services throughout Illinois by providing a platform for the organization of all relevant health, mental health, substance abuse, and other community entities and a mechanism to use and channel financial and other resources efficiently and effectively. Provides that the goals of the Networks shall include, but not be limited to, enabling persons with mental and substance use illnesses to access clinically appropriate, evidence-based services, regardless of where they reside in the State and particularly in rural areas; and improving access to mental health and substance abuse services throughout Illinois, but especially in rural Illinois communities. Contains provisions concerning the establishment of a Steering Committee and Network Councils; the development of Regional Integrated Behavioral Health Network Plans, and the timeline for such plans; and required reports. Effective immediately.

House Floor Amendment No. 3

Replaces everything after the enacting clause. Reinserts similar provisions, but with the following changes: Removes from the Network's list of goals the goal of defining the respective roles and relationships between public and private providers, preserving continued access to State-operated hospitals while enhancing acute care alternatives in private hospitals and community providers. Removes language providing that the agencies of the Steering Committee are directed to work collaboratively to provide consultation, advise, and leadership to the Networks in the development of a comprehensive, regional plan and in identifying sources of securing funding for the Networks. Removes language listing specific trade and professional associations, hospitals, and community providers that shall be represented on the Regional Network Advisory Council and instead provides that the Council shall be comprised of representatives of community stakeholders represented in the Network, including when available, but not limited to, relevant trade and professional associations representing hospitals, community providers, public health care, hospice care, long term care, law enforcement, emergency medical service, physicians trained in psychiatry; an organization that advocates on behalf of federally qualified health centers, an organization that advocates on behalf of persons suffering with mental illness and substance abuse disorders, an organization that advocates on behalf of persons with disabilities, an organization that advocates on behalf of persons who live in rural areas, an organization that advocates on behalf of persons who live in medically underserved areas; and others designated by the Steering Committee or Networks. - 20 ILCS 2435/60 from Ch. 23, par. 3395-60

Synopsis As Introduced

Amends the Abuse of Adults with Disabilities Intervention Act. Provides that the Office of Inspector General shall file with the Governor and the General Assembly, no later than January 1 following the end of each fiscal year (rather than within 90 days after the end of each fiscal year), a report concerning its implementation of the Domestic Abuse Project. Defines the terms "mental abuse" and "financial exploitation". Removes the definition of the term "exploitation". Redefines "abuse" to mean the causing of any physical, sexual, or mental abuse (rather than mental injury) to an adult with disabilities. Expands the definition of "physical abuse" to include directing another person to physically abuse a person with disabilities. Expands the definition of "sexual abuse" to include acts of sexual exploitation including, but not limited to, facilitating or compelling an adult with disabilities to become a prostitute, or receiving anything of value from an adult with disabilities knowing it was obtained in whole or in part from the practice of prostitution. Effective immediately.

10 ILCS 5/19-12.2 from Ch. 46, par. 19-12.2

Synopsis As Introduced

Amends the Election Code. Extends the "incapacitated voter" provisions to residents of State-operated and federally-operated veterans' homes, hospitals, and facilities located in Illinois in order to qualify for absentee ballots in multiple elections and to require that absentee voting be conducted at the homes, hospitals, and facilities.

Senate Committee Amendment No. 1

Removes references to State-operated veterans' homes, hospitals, and facilities. Defines "federally-operated veterans' home, hospital, or facility" as the long-term care facilities at the Jesse Brown VA Medical Center, Illiana Health Care System, Edward Hines, Jr. VA Hospital, Marion VA Medical Center, and Captain James A. Lovell Federal Health Care Center. Removes a requirement from the introduced bill that the Department of Veterans' Affairs shall certify to the State Board of Elections a list of the State-operated and federally-operated veterans' homes, hospitals, and facilities located in Illinois.

Statutes Amended In Order of Appearance

210 ILCS 45/2-213

Synopsis As Introduced

Amends the Nursing Home Care Act. Provides that a skilled nursing facility shall designate a person or persons as Infection Prevention and Control Professionals to develop and implement policies governing control of infections and communicable diseases. Provides that the Infection Prevention and Control Professional's qualifications shall be documented and shall be made available for inspection by the Department of Public Health. Effective on January 1, 2012.

House Committee Amendment No. 2

Replaces everything after the enacting clause. Creates the Specialized Mental Health Rehabilitation Act and amends the Nursing Home Care Act. Provides that all long-term care facilities for the mentally ill shall be licensed by the Department of Public Health under the Specialized Mental Health Rehabilitation Act instead of under the Nursing Home Care Act. Makes the provisions in the Specialized Mental Health Rehabilitation Act substantially the same as those in the Nursing Home Care Act. Amends various Acts to make conforming changes. Amends the Illinois Act on the Aging and the Criminal Identification Act to include certain references to the MR/DD Community Care Act. Amends the MR/DD Community Care Act. Makes changes and additions with regard to provisions concerning medical treatment and records; drug treatment; unlawful discrimination; right to notification of violations; screening prior to admission; criminal history reports; disclosure of information; notice of imminent death, unusual incident, abuse, or neglect; notification of violations; minimum staffing; licensure; ban on new admissions; standards; care plans; curricula; inspection; various violations and penalties; and protocols. Amends the Hospital Licensing Act and the Nursing Home Administrators Licensing and Disciplinary Act to include certain references to the MR/DD Community Care Act. Makes other changes. Includes a nonacceleration provision. Effective immediately.

House Committee Amendment No. 3

Makes a change in the provision of the Specialized Mental Health Rehabilitation Act concerning payments to facilities to provide that any change in rate methodology shall be made in statute. Further amends the MR/DD Community Care Act. Provides that a facility shall promptly notify (rather than only notify) the coroner or medical examiner of a resident's death. Further amends the Hospital Licensing Act. Provides that every hospital shall promptly report the death of a person known to be a resident (rather than every hospital shall, as soon as possible, but no longer than 24 hours later, report the death

of a person known to be a resident).

Land Conveyance Appraisal Note, House Committee Amendment No. 3 (Dept. of Transportation)

No land conveyances are included in this bill, therefore, there are no appraisals to be filed.

Fiscal Note, House Committee Amendment No. 1 (Dept. of Public Health)

There is no additional cost associated with regulating facilities under the Specialized Mental Health Rehabilitation Facilities Act, instead of the Nursing Home Care Act. Costs associated with additional time needed for inspections of facilities licensed under the MRDD Community Care Act based on higher standards pursuant to SB 145 are difficult to estimate at this time. Any such costs will be offset by funds generated from the currently authorized assessment on facilities licensed under the MRDD Community Care Act.

Fiscal Note, House Committee Amendment No. 2 (Dept. of Public Health)

There is no additional cost associated with regulating facilities under the Specialized Mental Health Rehabilitation Facilities Act, instead of the Nursing Home Care Act. Costs associated with additional time needed for inspections of facilities licensed under the MRDD Community Care Act based on higher standards pursuant to SB 145 are difficult to estimate at this time. Any such costs will be offset by funds generated from the currently authorized assessment on facilities licensed under the MRDD Community Care Act.

Fiscal Note (Dept. of Healthcare & Family Services)

The five facilities covered under SB 145 would no longer pay the assessment required of facilities under the NHCA resulting in a loss of approximately \$749,000. Under SB 145, these facilities will have their Medicaid rate cut by \$1.00 per day resulting in a savings to the department of approximately \$500,000. The net annual fiscal impact to the Department of Healthcare and Family Services (DHS) is approximately \$235,000, which HFS had already budgeted through the assessment.

Fiscal Note, House Committee Amendment No. 2 (Dept. of Public Health)

There is no additional cost associated with regulating facilities under the Specialized Mental Health Rehabilitation Facilities Act, instead of the Nursing Home Care Act. Costs associated with additional time needed for inspections of facilities licensed under the MRDD Community Care Act based on higher standards pursuant to SB 145 are difficult to estimate at this time. Any such costs will be

offset by funds generated from the currently authorized assessment on facilities licensed under the MRDD Community Care Act.

Fiscal Note, House Committee Amendment No. 3 (Dept. of Public Health)

There is no additional cost associated with regulating facilities under the Specialized Mental Health Rehabilitation Facilities Act, instead of the Nursing Home Care Act. Costs associated with additional time needed for inspections of facilities licensed under the MRDD Community Care Act based on higher standards pursuant to SB 145 are difficult to estimate at this time. Any such costs will be offset by funds generated from the currently authorized assessment on facilities licensed under the MRDD Community Care Act.

Balanced Budget Note, House Committee Amendment No. 2 (Office of Management and Budget)

There is no additional cost associated with regulating facilities under the Specialized Mental Health Rehabilitation Facilities Act, instead of the Nursing Home Care Act. Costs associated with additional time needed for inspections of facilities licensed under the MRDD Community Care Act based on higher standards pursuant to SB 145 are difficult to estimate at this time. Any such costs will be offset by funds generated from the currently authorized assessment on facilities licensed under the MRDD Community Care Act.

Sen. Mattie Hunter

House Sponsors

(Rep. Sara Feigenholtz-Elaine Nekritz-Robert W. Pritchard)

Synopsis As Introduced

Amends the Mental Health and Developmental Disabilities Confidentiality Act. Provides that a person, institution, or agency that maintains a recipient's pharmaceutical records and communications regarding pharmaceuticals may disclose those records and communications, along with related payment records, to any medical practitioner who is providing medical care to the recipient. Effective immediately.

Senate Floor Amendment No. 1

Deletes everything after the enacting clause. Amends the Mental Health and Developmental Disabilities Confidentiality Act. Provides that for purposes of treatment and coordination of care, State agencies, including the Department of Corrections, county jails, insurance companies, and integrated health systems, may disclose records of a recipient without the recipient's consent, if the recipient is in a program administered or operated by the Department of Healthcare and Family Services or the Department of Human Services to hospitals, physicians, therapists, emergency medical personnel and members of an interdisciplinary team treating a recipient with or without the recipient's consent. Provides that providers on an interdisciplinary care team treating a recipient may disclose the recipient's records without the recipient's consent to other members of the team. Provides that the records that may be disclosed are services rendered, providers rendering the services, pharmaceuticals prescribed or dispensed, and diagnoses. Provides that all disclosures must be made in a manner consistent with the federal Health Insurance Portability and Accountability Act (HIPAA). Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause with provisions substantially similar to the bill except it provides: that for a recipient in a program operated or administered by the Department of Healthcare and Family Services or the Department of Human Services, the recipient's records may be disclosed without consent by county jails, insurance companies, integrated health systems, and State agencies (instead of county jails, insurance companies, and State agencies) to hospitals, physicians, therapists, emergency medical personnel, and members of an interdisciplinary team treating a recipient for the purposes of treatment and coordination of care; this type of disclosure must be consistent with existing federal and State laws and regulations and HIPAA (instead of consistent with HIPAA); and definitions of "integrated health system" and "interdisciplinary team". Effective immediately.

Synopsis As Introduced

Amends the Mental Health and Developmental Disabilities Administrative Act. Provides that the Department of Human Services shall, no later than July 1, 2012, establish a policy to provide independent individualized assessments of individuals with developmental disabilities residing in State-operated facilities who desire, or whose parents or guardians desire, to pursue transfer to an integrated community-based residential setting. Provides that the policy shall include identifying the clinical, habilitative, and social needs of each individual that shall be incorporated into a transition plan. Amends the Community Services Act. Requires the Department of Human Services to conduct a geographic analysis of supports and services for individuals with developmental disabilities or mental illness no later than July 1, 2012. Provides that the analysis shall also identify gaps between required supports and services by region of the State; and that the Department shall prepare a final report by no later than January 1, 2013 that shall be made available to the Governor and the appropriate standing committees in the Senate and the House, and that shall be made available to the public on the Department's website a minimum of one week prior to presentation of the report to the General Assembly. Effective immediately.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts similar provisions, but with the following changes: Removes provisions providing that the Department of Human Services shall, no later than July 1, 2012, establish a policy to provide independent individualized assessments of individuals with developmental disabilities residing in State-operated facilities who desire, or whose parents or guardians desire, to pursue transfer to an integrated community-based residential setting. Removes the definition of the term "residential services". Redefines "support and services" to mean direct support professionals, licensed professionals, and residential services, including, but not limited to, private residences, community-integrated living arrangements, supported residential programs, supervised residential programs, or supportive housing programs (rather than direct support professionals, licensed professionals, and residential services). Effective immediately.

Senate Floor Amendment No. 3

Subjects to appropriation the Department of Human Services' geographic analysis of supports and services for individuals with developmental disabilities or mental illness. Provides that the Department may work with other State agencies to perform the geographic analysis or to gather data for purposes of performing the geographic analysis. Makes technical changes.

New Act

Synopsis As Introduced

Creates the Community Mental Health Services Accountability Act. Requires the Department of Human Services to draft and present no later than July 1, 2011 new administrative rules governing all community residential mental health services that are currently governed by the Illinois Administrative Code. Requires the new rules to include, but not be limited to, standards for environmental management of living arrangements; administrative requirements; monitoring and review; and licensure requirements. Contains provisions concerning the drafting and presentation of rules stipulating life safety standards; rules designed for supportive housing facilities; and the creation of an Outcome Monitoring Pilot Program. Effective immediately.

Senate Committee Amendment No. 1

Adds reference to:

20 ILCS 1705/73 new

Replaces everything after the enacting clause. Amends the Mental Health and Developmental Disabilities Administrative Act. Requires the Department of Human Services to draft and promulgate a new rule governing community residential mental health services for individuals with serious mental illness and rules specifically designed for supportive housing facilities that receive funds from the Department for this purpose. Requires the Department to make any and all surveys conducted on the outcomes and perceptions of the State's mental health delivery system available to the public on the Department's website. Provides that these surveys shall be posted beginning January 1, 2012 and shall be listed under a link entitled "publications" within the Division of Mental Health's portion of the Department's website. Requires the Department, in conjunction with the Department of Healthcare and Family Services, to create the Outcome Monitoring Pilot Program in which the Department shall identify a sample of client population residing in Cook County and served by specified agencies. Requires the Department to compile the data collected under the pilot program and submit a report to the General Assembly no later than October 1, 2013. Requires the pilot program to commence no later than July 1, 2012. Effective immediately.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Amends the Mental Health and Developmental Disabilities Administrative Act. Provides that no later than December 31, 2011, and on December 31st of each of the following 4 years, the Department of Human Services shall prepare and submit an annual

report to the General Assembly concerning the implementation of the Williams v. Quinn consent decree and other efforts to move persons with mental illnesses from institutional settings to community-based settings. Requires the Department of Human Services to draft and promulgate a rule governing community-based residential settings. Contains provisions concerning specified standards to be included in the rule. Effective immediately.

House Committee Amendment No. 1

Adds a provision requiring the Department of Human Services to conduct a statewide study no later than October 1, 2011 to assess the existing types of community-based housing and residential services currently being provided to individuals with mental illnesses in Illinois. Provides that the study shall include State-funded and federally-funded housing and residential services and that the results of the study shall be used to inform the Department's rulemaking process concerning community-based residential settings.

Synopsis As Introduced

Amends the Code of Civil Procedure. Provides that, if there is no legally authorized personal representative for a deceased patient, the deceased had not appointed an agent under a power of attorney for health care who was authorized to act for the deceased after death, and the deceased had not specifically objected to disclosure in writing, a spouse, adult child, parent, or sibling of the deceased may request copies of the deceased patient's records and health care facilities and practitioners are authorized to provide a copy of those records upon payment of the statutory fee and a signed Authorized Relative Certification attesting to the fact that the person is authorized to receive the records. Sets forth the contents of the Authorized Relative Certification, provides for immunity, and amends other statutes to conform to the new provisions. Amends the Illinois Power of Attorney Act. Adds the function of accessing medical records to the existing instances when a health care agency may extend beyond the principal's death which now are to allow for an anatomical gift, an autopsy, or the disposition of remains.

Senate Committee Amendment No. 1

Further amends the Code of Civil Procedure. Adds a cross-reference to another part of the Code that describes 12 different circumstances under which a physician's records may be released to someone other than the patient. Provides that an adult relative of the deceased may request the deceased relative's health care records (instead of waiting for 30 days before being able to do so), if there is no executor or administrator of the person's estate, no surviving spouse, and no agent authorized under a power of attorney for health care.

Synopsis As Introduced

Amends the Newborn Metabolic Screening Act. Provides that the Department of Public Health shall provide newborns with expanded screening tests for the presence of Mucopolysaccharidosis I (Hurler disease), Mucopolysaccharidosis II (Hunters disease), and Severe Combined Immunodeficiency Syndrome (SCIDS). Provides that if the Department is unable to provide expanded screening for SCIDS using the State Laboratory within 180 days after the effective date of the amendatory Act, then the Department shall temporarily provide the screening through an accredited laboratory selected by the Department until the Department has the capacity to provide screening through the State Laboratory. Permits the Department to substitute the fee charged by the accredited laboratory, plus a 5% surcharge for documentation and handling for the fee authorized if expanded screening is provided on a temporary basis through an accredited laboratory. Effective immediately.

Senate Floor Amendment No. 1

Provides that the Department of Public Health shall provide newborns with expanded screening tests beginning 90 days (instead of 30 days) after the effective date of the amendatory Act.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Amends the Newborn Metabolic Screening Act. Provides that the Department of Public Health shall provide all newborns with expanded screening tests for the presence of (1) certain Lysosomal Storage Disorders known as Krabbe, Pompe, Gaucher, Fabry, and Niemann-Pick, (2) Severe Combined Immunodeficiency Disease (SCID), and (3) Mucopolysaccharidosis I (Hurlers) and Mucopolysaccharidosis II (Hunters). Provides that testing for each respective disorder or disease shall begin within 6 months or 12 months, depending on the disorder or disease, following the occurrence of certain events. Provides that the Department is authorized to implement an additional fee for the screening prior to beginning the testing in order to accumulate the resources for start-up and other costs associated with implementation of the screening and thereafter to support the costs associated with screening and follow-up programs for the disorder or disease.
